

# **NOBODY LIKE YOU!**

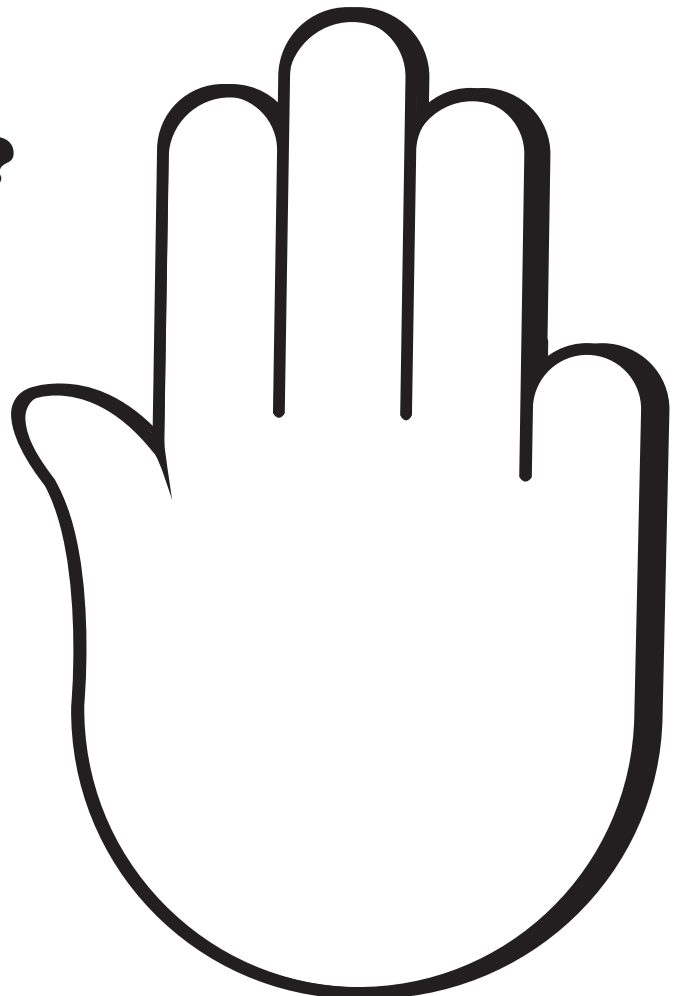

The song “Nobody Like You” reminds us that there’s only one you! We are all complete ORIGINALS!

This image is a symbol of my individuality. I love to play guitar! The 6 lines and 2 circles represent the 6 strings and sound hole on an acoustic guitar!

## **WHAT MAKES YOU, YOU!?**

Do you love to play soccer?  
Do you love to draw?  
Do you love camping?  
Do you love to go to the beach?

Think about it, and then draw your own symbol on the blank handprint to the right!
